COMPANY OVERVIEW

Reidhead Plumbing and Air is a veteran-owned, family-operated plumbing and HVAC contractor established in 2006 and headquartered in Mesa, Arizona. Our company brings over 100 years of combined leadership experience across plumbing, HVAC, construction, and service operations. Reidhead Plumbing and Air delivers reliable, compliant, and responsive solutions for government, municipal, commercial, and residential facilities. The firm is known for integrity-driven service, advanced diagnostics, and long-term client relationships.

PAST PERFORMANCE

- **Sigma Southwest** – Ground-up plumbing construction for repeat commercial builds including breweries, Brakes Plus locations, and DaVita dialysis centers, requiring schedule-driven execution.
- **Schiffer Built** – Full-scope plumbing construction for Arizona Christian University chemistry and biology laboratories, churches, and schools involving complex systems and strict code compliance.

Additional Clients:

Maricopa County, Town of Gilbert, Salt River Project (SRP), SRPMIC Tribe, Davis-Monthan Air Force Base, Florence Military Reservation, Banner Healthcare, Ensign Organization, Sundt Construction, Layton Construction, AR Mays
